1. Welcome and Introductions: Mr. Allen Buyck, District Superintendent of the Broome-Tioga BOCES will join for this meeting.

2. Review of Minutes of the January 26th Meeting

3. Discussion: Deposit is part of the B-T BOCES and Hancock is part of the DCMO BOCES. What are the challenges presented by this fact of life and what possible, practical solutions does a BOCES have to address any of those challenges? This will be a question-answer-discussion format.

4. Discussion: Based on our discussion with BOCES and our identification of "unbolded", unaddressed recommendations for sharing from the "Pole" report, what share initiatives do we want to target next?
