Dear Senator Akshar:

I am writing to you on behalf of the Hancock Central School District Board of Education to let you know that I have been appointed as a liaison between our organization and your office. I deeply appreciate your ongoing support for enhanced educational financing for poor, rural communities like Hancock. As we move forward and examine issues that confront us, I hope that we will be able to maintain an open dialogue with you and your staff.

I hope that you will be able to visit HCS sometime in the very near future!

Thank you again for all you will do to help rural school districts in Upstate New York.

Please contact me if you have questions.

Sincerely,

Terrance P. Dougherty
