

STAFF HEALTH

The Board of Education seeks to provide a healthful and safe working environment for the total school community. The Board employs individuals who have physical and mental capacity which will enable such employee to reasonably perform the duties required of the position, and to assure that all employees have a standard of health that will contribute to the safe, healthy and efficient performance of work.

Medical Examinations

The Board requires that all job offers be conditioned upon a satisfactory medical evaluation, and all probationary employees who are eligible for tenure, as well as employees recommended in writing by their supervisor, undergo a medical exam by their own physician or by the district physician. Failure to undergo a required medical exam is grounds for disqualification or dismissal.

No applicant or employee will be discriminated against because of any disability or speculation that such person's future health would be at risk in performing his/her duties. Inability to perform the essential functions of the job with or without reasonable accommodation may be grounds for disqualification or dismissal.
