Dear Parent/Guardian:

The 2021-2022 school year is fast approaching. In consideration of the COVID-19 pandemic, many parents have expressed their intention to transport their child(ren), in lieu of Hancock Central School District transportation. To permit the District to appropriately plan for the busing of District students, please complete this form and return it to the District no later than September 3, 2021. The Hancock Central School District will provide transportation for all eligible students, unless this form is completed by the parent/legal guardian notifying the District of your alternate intentions. Should you have any questions or concerns, please contact the HS/MS Main Office at (607) 637-1305 or the Transportation Office at (607) 637-5322.

Self-transportation arrangements will be assessed each semester during the 2021-2022 school year.

Thank you,

Julie Bergman, PreK-12 Principal

Jodi Newman, Transportation Supervisor
