

Spectator Guidelines and Expectations

All Deposit/Hancock field hockey games will take place at the turf playing fields of Sidney or Windsor during the 2021 Fall II Sports Season.

A limited number of spectators will be allowed to attend these games in person. Please note the following spectator guidelines and expectations at each site, as per their respective district procedures and protocols.

Sidney Central School District

Two in-person spectators per athlete will be allowed for both teams as long as Sidney is one of the two participating teams. In-person spectators must pre-register with their respective teams. No spectators will be allowed for games involving two non-Sidney teams.

All COVID-19 guidelines must be followed at all times while on campus. This includes, but is not limited to, wearing a face covering (over mouth and nose) for the duration of the visit, proper social distancing and sitting in designated areas.

Windsor Central School District

Two in-person spectators per athlete will be allowed for both teams. If Windsor is not one of the two participating teams, in-person spectators are allowed (two per athlete) as long as the participating teams provide proper supervision.

All COVID-19 guidelines must be followed at all times while on campus. This includes, but is not limited to, wearing a face covering (over mouth and nose) for the duration of the visit, proper social distancing, sitting in designated areas, and a mandatory health screening upon arrival.

Spectators should not arrive any earlier than 15 minutes before competition and must leave the facility immediately after competition ends. Restrooms will be available. The concession stand will be closed.
