

Hi Parent/Guardian:

The beginning of the school year is an important time for students to take part in our school meals program. A huge part of our efforts include promoting the benefits of making payments through MySchoolBucks.

MySchoolBucks Provides Parents at Hancock Central School:

- **Convenience** - Parents can access MySchoolBucks **24/7 online** or through the MySchoolBucks **mobile app**.
- **Efficiency** - Payments can be made for all students, even those who attend different schools within our district.
- **Control** - Parents can monitor their student's meal purchases, set low balance alerts, and make automatic payments!
- **Flexibility** - Parents can pay at any time with a credit or debit card. The cost is \$2.49 per transaction. You can do more than one student in one transaction to save money.
- **Security** – Student and payment information is always secure as MySchoolBucks adheres to the highest security standards.

These benefits help us manage meal funds more efficiently, reduce student lunch debt, and help our lines move faster.
