November 4, 2020

Dear Hancock Central School District Families and Staff,

We were advised today that one of our District HS/MS students has tested positive for the COVID-19 virus. We have been coordinating with the Delaware County Department of Health and they are in contact with any staff/students that may have been exposed. We continue to work to support our student, families, and employees during this difficulty time and appreciate your cooperation.

We understand that news like this can be received with mixed emotions from our community. Rest assured the safety and health of our students and staff are our top priority.

If you have questions regarding the COVID-19 virus, please visit <http://www.hancock.stier.org>.

If you or a family member is exhibiting symptoms of the COVID-19 virus (fever, cough, and shortness of breath), please do not go to the emergency room without contacting your healthcare provider first. They will provide you with further guidance.

Please remember that social distancing and good hygiene are our best defenses against this disease. Stay home and do not go out into public unless you have to.

Wildcats are strong and we will get through this together.

We know this time may be stressful on families and our students. If you have any questions, please do not hesitate to contact the Delaware County Health Department at 607- 832- 5200.

Sincerely,

Julie Bergman
PreK-12 Principal
