

Hancock Elementary honors veterans

The Hancock Central School District honored local military veterans Thursday, November 8, during Hancock Elementary School's Morning Program in the cafetorium.

The program featured the Pledge of Allegiance, national anthem, Hancock MS/HS Band and a capella performances by students in grades K-4. Our youngsters also introduced family members and waved flags before this large group of heroes retired to the HES Library to enjoy coffee and donuts.

Former Hancock Technology Coordinator Bill Christian was among the veterans in attendance Thursday. Christian, who served four years in the Marines, retired in March after 20 years with the district.

Visit the Hancock Central School District Facebook page (<https://www.facebook.com/HancockCSD/>) to see more photos and a video of the live stream from Thursday's Morning Program.
