INDEPENDENT AUDITOR'S REPORT

To the Board of Education of the
Hancock Central School District:

We have audited the accompanying financial statements of the Extraclassroom Activity Funds of the Hancock Central School District as of June 30, 2021, which comprise the Statement of Assets and Fund Balance-Cash Basis and the related Statement of Cash Receipts and Disbursements-Cash Basis for the year then ended, and the related note to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1. This includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and fund balance of the Extraclassroom Activity Funds of the Hancock Central School District as of June 30, 2021, and its receipts and disbursements for the year then ended, in accordance with the basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

HANCOCK CENTRAL SCHOOL DISTRICT
NOTE TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies:

The Extraclassroom Activity Fund of the District represents funds of the students of the district. The Board of Education exercises general oversight of these funds. The Extraclassroom Activity Fund is independent of the district with respect to its financial transactions, and the designation of student management. Separate financial statements are issued for the fund. The District also reports the fund in its financial statements, within the Fiduciary Fund.

The books and records of the Hancock Central School District's Extraclassroom Activity Funds are maintained on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis of accounting, assets are increased when cash is received and decreased when cash is disbursed.

See auditor's report.

HANCOCK CENTRAL SCHOOL DISTRICT
AUDITOR'S FINDINGS AND EVALUATION

Cash Receipts:

We found that generally, the internal accounting controls with regards to cash receipts were adequate to maintain proper accountability beyond the point of initial recording of the cash receipts.

During our audit of receipts, we noted the following:

1. Instances of clubs holding funds longer than the required three days.
2. Two instances of cash receipts having no supporting documentation.

We recommend that all cash receipts be properly completed and funds be forwarded to the Central Treasurer within three days for deposit.

Inactive Clubs:

During our audit, we noted that funds remained for the Class of 2021.

We recommend that funds remaining be reviewed and if the club is no longer in existence, remaining funds should be disposed of as prescribed by the Board of Education.

See auditor's report.
