Special 2016-2017 Budget Proposal Issue

*2016-2017 Spending Plan Represents a 0% Increase on the Local Tax Levy*

## 2016-17 Proposed Budget

With this issue of the *Wildcat News*, we present the proposed 2016-2017 budget for the Hancock Central School District. Please review this information carefully. The annual budget hearing is set for Monday, May 9, at 7:30 p.m. in the Middle/High School Auditorium, and the annual budget vote is slated for Tuesday, May 17, from 2:00-8:00 p.m. in the Middle/High School Auditorium.

Inside you will find the highlights of the proposal compared with the current year's budget. The \$10,684,945 spending plan represents a 1.40% increase in expenditures compared to the current year. We furthermore estimate an average tax levy increase of 0% over the current year. Some residential tax rates may fluctuate because of the STAR program and changing tax equalization rates. Factors that have contributed to this fiscal outlook include the following.

- Ongoing fiscal prudence demonstrated by the Board of Education, Administrative Team, and the Business Manager.
- A continuing commitment to working cooperatively with our neighboring school districts to cut costs through BOCES.
- Savings in health insurance costs netted through negotiations with various collective bargaining units in the school district.

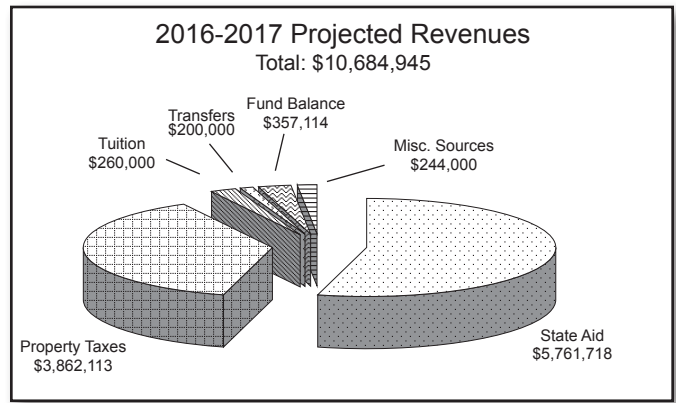

- Savings netted through restructuring of existing staff responsibilities, including the reorganization of the elementary school art position and a reduction from two (2) third grade classroom teaching positions to one (1).
- Budget adjustments along non-instructional lines.
- Cuts in equipment and supplies.
- Cuts in utility expenses due to favorable rates.

The proposed 2016-2017 spending plan successfully balances fiscal responsibility and the maintenance of existing program offerings. If you would like a more detailed summary of the budget proposal, one is available at the Hancock Central School District Offices, Monday through Friday, from 8:00 a.m. until 4:00 p.m. Please stop by to pick up a copy, or give us a call at 637-1301 and we will gladly mail a copy to your home.

Thank you for your ongoing support and continued commitment to our School District. We welcome your questions or comments about this proposal. Again, feel free to contact us at 637-1301 or attend the budget presentation on May 9.

Respectfully,
