Community Members;

Hello my name is Perry Dewey and the Hancock Board of Education has commissioned me to conduct the superintendent search process to replace Dr. Terry Dougherty who has led the district for the past 21 years.

Over the past several months I have been working with the BOE to develop the Application and Brochure that we are releasing today. As you can see, the Hancock district is in great shape both programmatically and fiscally for the transitioning of leadership. It is my hope that we will be able to attract a strong candidate pool for the BOE to interview and successfully select a new school leader from.

As the search moves forward we will be informing the community about the process for selection. This will occur after January 16th. If you have any questions please do not hesitate to contact me. Thank you.

Cordially,
